VINCI Construction acquires HJR Asphalt LP in Saskatchewan (Canada)

VINCI Construction announces the acquisition of HJR Asphalt LP in Saskatoon, one of the leading roadworks companies in the province of Saskatchewan in Canada.

Founded in 1988, HJR employs 120 people at the height of the season and operates throughout Saskatchewan with five mobile asphalt plants.

This acquisition allows VINCI Construction to establish a permanent presence in the province of Saskatchewan, where it had previously operated from Alberta.
